Request to add a SubProducer

Email to: joe.cudney@aig.com

Please utilize this form to add a subproducer into the system. This form is also used if you would like to provide access. Due to security requirements brought on by the Sarbanes Oxley Act, each of your subproducers must be assigned an individual user ID and password that will be connecting to our system. Complete a separate form for each subproducer.

In order for us to begin setting up this Producer remotely, we need the information provided below.
